

Time of Service/Billing Discount

The Time of Service discount is one we offer to those who **pay at the time the service is rendered and keep a zero balance**. We do not file any insurance claims for you; however, we will provide you with the necessary information required for you to file your claims with your insurance carrier. This cuts down on our processing costs and allows us to pass savings on to you. Our regular fee for a chiropractic adjustment of 3-4 regions of the spine is \$55 and the charge for a chiropractic adjustment of 5 or more regions is \$65; however, since we won't be filing any insurance claims for you and if you pay at the time the service is rendered and keep a zero balance, we will be able to reduce your charge to \$45 for an adjustment. That is a saving of approximately 34-45% to you.

Therapies/modalities are also offered at a reduced rate of \$10.00 for each therapy received for those patients who pay at the time the service is rendered and keep a zero balance. Therapies include Deep Laser Therapy, Moist Heat, Vibratory Massage, Electrical Stimulation (EMS).
